Baby Emmanuel Brought Home from NICU!

After almost 4 months in the NICU of Catholic Maternity Hospital, Emmanuel has been released from the hospital and is now being cared for at Divine Providence Home!

Emmanuel was born at 30 weeks' gestation on December 23rd. His mother asked Divine Providence Home to take him in after his birth. He is now at a healthy weight and is doing

well, thanks be to God. It is difficult to believe that just a few weeks ago he was fighting for his life (see below photo).

Thank you for keeping him in your prayers and for your donations, which were sent to DPH to pay for his medical expenses.

We would like to give a special word of thanks to our Advocates who give monthly, making it possible for us to send consistent aid to Divine Providence Home in occasions such as these, when the need is dire. We are so grateful to all of you.

BECOME A MONTHLY ADVOCATE

Continued Rise in Number of Children Brought to DPH

3-year-old Divine Favour is one of several children already taken in by Divine Providence Home this year. Joblessness and extreme inflation have made it even more difficult on those experiencing poverty, resulting in an increase in the number of children brought to the orphanage.

The sisters have vowed to take in every child brought to their door, but we really need your help to make this feasible. Please make a donation to be included in the aid being sent to Divine Providence Home this coming week, using the below link.

[DONATE](#)

Security System Installed at Divine Providence Home

Divine Providence Home has been equipped with a security system to increase safety at the orphanage. Cameras have been installed at specific points throughout the property and will be monitored by a guard at the security station. We are grateful to all of you who helped fund this extremely important project. Thank you!

Approximately \$10,000 in Donated Items Arrives in Nigeria!

839 lbs. in donated clothing, raincoats, shoes, diapers, books, book bags, and toys arrived in

Nigeria this morning! The donations have a total estimated value of \$10,000.

We are so grateful to everyone who contributed to this drive, which will give much-needed aid to the children of Divine Providence Home, Catholic Maternity Hospital and Colmcille Memorial Academy. We look forward to sharing photos of the children opening their gifts in our next newsletter.

We wish you all a blessed Lenten Season. Thank you so much for your support and prayers.

Yours in Christ,

Muji
